Strathallan Castle sits in 1,000 acres of grounds and woodlands

### 'FAIRYTALE' WEDDING

Impressive **Strathallan Castle** dates from the early 19th century and its 1,000 acres of secluded grounds and woodlands afford the utmost privacy. For a century it has been the home of the Roberts family, ensuring a warm and inviting ambience within its stately walls. Whether planning a large and lavish event or something altogether smaller and more intimate, the entertainment rooms seat comfortably from just a few to 75 guests; a marquee on the manicured lawns will, however, cater for up to 200. Whichever you choose, we will do everything to realise the day you always dreamed of.

EVERY WEDDING IS TAILORED TO SUIT EACH COUPLE'S DESIRES

### THE CEREMONY

For this most important event of your lives, the castle's civil licence permits the conducting of weddings - which can take place in the grand splendour of the Drawing Room, or the Library, with its roaring log fires and air of elegant relaxation.

Of course, if the weather permits, you may prefer to take your vows outdoors in the glorious grounds.

There are also several beautiful churches locally, such as St Kessog's in Auchterarder and Fowls Wester, while Tullibardine Chapel, an exquisite small medieval church now owned by Historic Scotland, is situated on the Strathallan estate.

### THE RECEPTION

With the castle exclusively yours for the day, you have its graceful entertainment rooms at your disposal and the secure knowledge of privacy for every part of your celebrations.

For the reception, the sumptuous Drawing Room is ideal for up to 75 guests although smaller parties may prefer the intimacy of the refined Dining Room.

The croquet lawn provides the ideal site for a marquee, where you can entertain up to 200 guests. Marquees are supplied by a reputable local firm and the Castle's Wedding Advisor will be happy to help you with any individual requirements.

Every wedding staged in this impressive venue is tailored to suit each couple's desires to achieve the day they had long imagined and planned for. The Estates' Wedding Advisors will be delighted to meet you to discuss your particular requirements to ensure your nuptials are a unique celebration enjoyed by all.
